## HAPPY NEW YEAR!

I couldn't decide what to say, so I'm saying it all:

### Have a sparkling New Year!

Here's to what's to be in 2023!

*Same time next year?*

Sorry I didn't get my Christmas card out on time! Here's to new adventures around the corner.

### Make way for 2023!

I said this 365 days ago, but happy New Year!

May the new year bless you with health, wealth, and happiness.

### Out with the old, in with the new!

Here's hoping you make the most of 2023!

## May the new year bring you peace, joy, and happiness.

*Wishing you and yours health and prosperity in the new year.*

Let your dreams take flight in the new year!

WHEW!

### On a personal note, 2022 was definitely a good year for me!

While I started a personal journey dealing with Ovarian Cancer, I ended the year healthy, and I now have hair! I had so much moral support from my family and friends, and for that I am so very grateful. Love to all of you!

#### Other good stuff:

I've managed to keep off the few extra pounds I lost  
2 of my three books have been published, and I'm working on a Prequel and a Sequel, so look for them and book 3 in 2023. (I'll remind you)

I did 2 book signings which were incredible. Thanks to those of you who could attend. It was wonderful to meet so many readers.

My writer's group has gone back to live meetings, and I've just joined another one in my neighborhood.

Mountain News in Lake Arrowhead did a write up on me  
In January an article is coming out in our community magazine, Coto Living

**Things are looking up!**

**Thank you all for helping make 2022 a good year.**

P.S. I know the holidays were busy for everyone, but I wanted to remind you that book 2 is waiting for you on Amazon, Barnes and Noble, and Bookshop. So if you haven't done so already, please order a copy and give me a great review.
